SCOTTY'S SMINE.

Guards His Treasure With Rifles and Trusted Men.

BARSTOW, Sept. 30.—Walter Scott, the Death Valley cowboy-miner, who paid the Santa Fe Railroad Company \$5000 to land him in Chicago from Los Angeles, is not a mystery in and about Barstow and Daggett. The district in which his mine is located is known and the miners have been working rich claims for more than twenty years. The mine is located on Furnace Creek, in the same district as the property which De La Mar bonded for \$150,000 a year ago. Scott's mine is one of the several rich properties struck in the district. He has a tale ledge twenty feet wide, which runs about \$150 to the ton. The ore is being thrown upon the dump. The quality of ore being shipped at this time is from a streak of rotten stuff filled with free gold. Three shipments by a train of twelve burros netted Scott \$175,000.

His financial transactions are carried on by third vice-President Girard of the Equitable Bank, New York. No outsiders are permitted to visit the Scott claims. Warning signs are placed far from the plant, and the camp is fortified. Krag-Jorgensen rifles, capable of throwing bullets several miles, from the battery and spy glasses are used continuously to note possible intruders. Six men, selected by Scott, dig the ore. The foreman is 16 years old, receives \$5 a day, and, in addition a \$500 bill when Scott visits the camp every two or three months.

The Sun learns on indubitable au-

thority that Charles M. Schwab, Pittsburg steel magnate, controlling owner of the Tonopah-Extension Mining Company, multi-millionaire etc., etc., will be in Goldfield October 1st.

Company Formed.

The Pinenut mines are to be worked systematically. A company known as the Zirn-Schulz Consolidated has been formed and stock is to be issued to work the mines with. A Livingston is among those who are interested. The first stock will be put on the market at ten cents a share, and only enough will be sold to develop the property.

SOUTHERN TOWNS.

Distances from One Camp to Another and How to reach Them. Most people have an indirect knowledge of the location of the various newly established towns in the Southern Nevada gold districts few of them have any definite intelligent idea as to where each town actually is and the relative direction and distance of one from another. It will therefore be of interest to many and valuable to some to have these set forth. The following carefully prepared information regarding these localities, the names of which are seen and heard of every day more and more as time passes, but just where they are situated in the broad expanse of southern country few persons could tell, even among some of those interested more or less in mining affairs.

Goldfield is 72 miles south of Tonopah; 16 miles south of Goldfield is Tank Springs; 29 miles south brings one to Summerville, the new strike which is 3 miles west of Thorpe's Mill where is located the Nevada-Goldfield Mining Company's property. 27 miles south from Summerville is Moody Springs, 8 miles south from Moody is Old Bullfrog or Amagosa (not to be confused) where the Original Bullfrog district, now about six months old. Three-quarters of a mile south is the new town of Bullfrog, formerly called Bonanza. From Bullfrog to Beatty, a town of 100 people, is 3 miles north, passing the rich Montgomery Edwards mine. Go farther south from Beatty, 14 miles, one reaches Gold Centre, with its 250 people. On hundred and ten miles southeast from Beatty are located the rich strikes of Los Vegas, reached by some via the Clark railroad and stage.

Once Bitten, Twice Shy.

Once a man gets bitten he's always shy of the biter. If you've been bit in the matter of clothes, it's a wise idea to give a wide berth to the one who bit you. Try people with a reputation for making and keeping friends. If you have been disappointed in your garments, let the International Tailoring Co. of New York, Chicago and San Francisco, apply the antidote of good workmanship and guaranteed satisfaction. One suit from them will make you feel kindly towards all the world in general, and put you right in the eyes of your friends. Looks, you know, are everything.

See our new Fall and Winter samples and let us take your measure.

We Guarantee to Please You.
